Subject: message to New Zealand

Ellis,  
I have written the draft letter but wonder about the new letter head. I would love to send the message on letter head ..... it is really very posh !  
When do you think that the letter head with new board members will be ready ? Do you think it would be in time to delay sending this but in time to be there for their celebration ? I better check with Alan re: the Welsh but I think it is okay. Do you know ?  
Cheers !  
Lynn

Dear June,

Cyfarchion o Welsh National Gymanfa Ganu Association,

On behalf of the Welsh National Gymanfa Ganu Association, I am delighted to extend our greetings to you on the occasion of the Biennial National Cymanfa Ganu in New Zealand, October 26 - 27, 2002. I am sure that the week end promises to be a wonderful celebration of Wales and Welsh culture. It is very special, indeed, that pride in our Welsh heritage binds us together throughout the world.

The Welsh National Gymanfa Ganu Association represents Americans and Canadians who come together annually to do what you are doing on October 26 and 27, to celebrate our heritage and take pride in the Wales of today. This year, the WNGGA has taken a significant step to describe our annual celebration in the future as the North American Festival of Wales. The North American Festival of Wales, 2003 will be held in Richmond / Vancouver, British Columbia, Canada from August 28 to September 1, 2003. We extend a warm welcome to all of you in New Zealand to join us in Richmond / Vancouver. I have included an informational brochure for your interest and would be delighted to send you others at your request.

On the occasion of your special week end, warmest wishes from the Welsh of North American and the Welsh National Gymanfa Ganu Association.

Lynn Owens-Whalen  
President, Welsh National Gymanfa Ganu Association
