Dear Idris

In lieu of an official and formal letter head communication I write to extend my thanks to the whole of the San Jose Committee and WASNC for their great work which resulted in the payment of \$15,301, which the head office received today.

This excellent sum, and I know that your society banked an equivalent amount, reflects the success of the weekend and all of the work that was put into making the Wales prominent in San Jose and the Bay area for the month of August 2001. It will be a standard which others will have to live up to.

Please convey to your committee and whole society our profound thanks for the work and for the cheque. Needless to say it will be used prudently and wisely for continuing to further Welsh interests in North America

Hwyl Fawr and Diolch yn Fawr i chi gyd

Alan Upshall
President WNGGA
