## MUNICIPAL ELECTION

NOVEMBER 1ST, 1937.

Polling 8 a.m. to 8 p.m.

TO THE ELECTORS.

Ladies and Gentlemen,

Having been asked by several ratepayers to contest an election I decided to offer myself as a Candidate.

Though I must seem a stranger to many, yet, in the fourteen years during which I have resided here, I have come into close personal contact with many of you; and during this period I have come to have a warm regard for your "Ancient Borough."

I am standing as a non-political, non-sectarian candidate, and hope, if you do place your confidence in me, to do my utmost to carry on the best traditions of the town and to serve the best interests of the electors.

With you, of course, rests the final decision, and I place myself in your hands.

I am, Ladies and Gentlemen,

Yours obediently,

EMILY M. MELLER

with we hope favourable  
results.

the site was approved, but

were suggested. There are  
like time — but I hope that  
at an early date a start  
will be made in this much  
needed direction.
