GREETINGS FROM JESUS COLLEGE, OXFORD

Dr. Felicity Heal, MA PhD

Today we are celebrating not only the founding of Cowbridge Grammar School in 1608 but also education in this ancient borough over the last four centuries.

The President of the Old Boys Association wishes to thank everyone for their attendance here this afternoon.

Our speakers are two Old Bovians, Colin Lewis and Christopher Vosper. Dr. Felicity Heal brings us greetings from Jesus College Oxford where she is the Vice Principal.

Our other distinguished guests include the Assistant Bishop of Llandaff, the Mayor of Cowbridge, the Headteacher of the Cowbridge Comprehensive School and representatives from the Cowbridge High School Old Girls Association.

Hours and hours of preparation have gone into making the events of this weekend a success and we are grateful to all those who have put in so much time and effort ; too many to name individually.

The Association sends warmest wishes and greetings to its last headmaster and former senior classics master, Mr. Iolo Davies, who hopes to join us today from his home in Cheltenham.

We trust you have had a happy and enjoyable day and have been able to renew friendships some of which were made more than seven decades ago.
