Porc Talbot

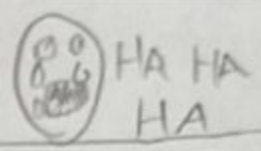

when I wake up I have breakfast. Then I brush my teeth. I get dressed and go out to play with my friends for a few hours. I go to my pool and on Thursdays I play rugby. I play for two hours every year. My rugby team has a tournament and I play on my school's field.

MY PERFECT

DAY

I start the day by having pancakes.

Then I have a walk to the milkshake shop.

And I have a bowl of noodles.

Then I play tennis with my mum

Then I ^{help} make pizzas with my parents

Then I game with friends
