THIS IS WHY Having less litter IS IMPORTANT
TO ME AND THIS IS WHAT I WOULD LIKE YOU TO DO ABOUT IT:

because ~~the~~ every time I go to the beach there's always
so much litter making the beach very ugly and making less
visitors visiting ~~beach~~ the beach I also would like a
theme park because after Oakwood closed there's no theme
park to go to in Wales. This would also give some people
jobs.

I will really appreciate it if you do.

THANK YOU, FROM Adam Higgins

PORTAL

I Love Living In Port Talbot,

however I feel Job market diversity could be improved. Port Talbot has historically been heavily reliant on the Steelworks, and diversification is needed to reduce Vulnerability to changes in that industry!

Also a lot more areas for young adults & teenagers to do activities on evening and weekends. I think this may reduce antisocial behaviours in these age groups. There are several unoccupied buildings around the Centre of Port Talbot that could used. Units could be opened for things such as indoor sports, airsoft ect.
