

## DIGITAL ENGAGEMENT PLATFORM: FEEDBACK SUMMARY

THANKS TO DAN GRIFFIN, PARTICIPATION AND ENGAGEMENT OFFICER AT THE THINK FAMILY PARTNERSHIP AT NEATH PORT TALBOT COUNCIL, WE WERE ABLE TO ENGAGE WITH 77 PUPILS ACROSS 7 PORT TALBOT PRIMARY SCHOOLS THROUGH AN ESTABLISHED DIGITAL ENGAGEMENT PLATFORM, WHICH PRIORITISES EMBEDDING CHILDREN'S VOICES IN POLICY AND PRACTICE IN THE LOCAL AREA.

**WE ASKED –  
WHAT WOULD YOU LIKE  
PORT TALBOT TO LOOK  
LIKE IN 20 YEARS?**

**THE FEEDBACK WAS IMAGINATIVE, HOPEFUL, AND CREATIVE**

**'MORE VIBRANT' & COLOURFUL' – PAINTING UNDER BRIDGES, GRAFFITI PROJECTS, NEW BUILDINGS, MORE TREES, PLANTS, FLOWERS, GARDENS AND STATUES.**

**MORE FESTIVALS, MORE MODERN SHOPS, MORE HAIR SALONS, MORE FAST FOOD RESTAURANTS, MORE SPORTS FACILITIES AND GYMS, MORE GOOD QUALITY AND UPGRADED LOCAL PARKS.**

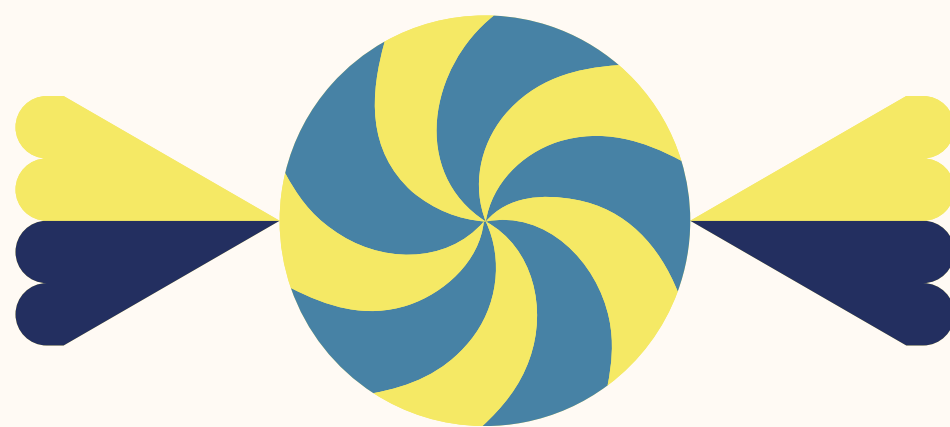

## THERE WERE HOPES FOR A HEALTHIER AND SAFER TOWN

A 'CLEANER PLACE TO LIVE' WITH LESS POLLUTION – ESPECIALLY NO MORE PLASTIC IN THE SEA AND NO GLASS OR LITTER ON THE FLOOR!

FOR THERE TO BE NO SMOKING OR VAPING, FOR PEOPLE TO BE HEALTHIER.

A 'SAFER' PLACE TO LIVE WITH MORE HELP AVAILABLE FOR PEOPLE WITHOUT HOMES AND FOR THINGS TO BE MORE AFFORDABLE – MOST IMPORTANTLY, PARKING AND SWEETS.

## AND PLENTY OF FUTURISTIC VISIONS...

MORE FUTURISTIC INCLUDING INCREASED USED OF AI, MORE ELECTRIC CARS ON THE ROADS, AUTOMATIC DRIVING VEHICLES, FLYING CARS OR SPACESHIPS, ROBOTS AS TEACHERS AND PERSONAL SHOPPERS, TELEPORTATION DEVICES, PEOPLE WILL BE USING JET PACKS AND ALIENS WILL WALK AMONG US.
