The White Witch

This is the witch who haunts the **White Bird Pond** (Pwll Y Wyddar Wen) near **Cystannog Hill**.

Whenever the fog or mist came down on the river the witch would come out.

Carmarthen coraclers, have always thought of her as the white-haired witch of the mist.

Coracle families in **Abergwili** believed that the infamous murderer, **Jack the Ripper** was hiding from the police at **Cystannog Hill**, across the River Towy from their home.
