

# Carmarthen Water Safety

## Carmarthenshire Water Safety

Over the years Carmarthen has sadly lost young people to the river incidents. Highlighting the part played by the coracle in the search and rescue and a new charity movement that has been set up to make children aware of the dangers and educate the public.

They manage lifesaving equipment on our community waterways.

Their aims are to reduce fatality rates in waterways across West Wales and educate the public and manage lifesaving equipment on our community waterways.

## Quay Centre

**The Quay Centre** is the community home for all our river users, a place where schools come to learn of our important coracle and **Old Port of Carmarthen** history and it's also the base for

## River Festival

The **River Festival** has been running in some form for over a hundred years. It brings together the community of Carmarthen to enjoy the river safely. Raft races, fun fairs, 'have a go' coracle paddles and the **King of The River** coracle race.
