

S.O.S

1988

Choreographer

Ann Sholem (UK)

In the Spring of 1988, Sholem and Campbell-Moore travelled to The Himalayas. Whilst in Nepal, Campbell-Moore became unwell and the couple spent a traumatic 24 hours with Sholem seeking out help that resulted in a dramatic mountain rescue. The vivid memories of her experience provided the basis for the choreography for this solo work.

Dancer

Pebbs Jones

Music

Michael Hedges, Mark Isham
