## 6. Volunteers

Phil has taken over volunteer responsibilities from Brian. He will create a matrix so people will know all their weekend duties. All volunteer activities need to be coordinated - volunteers will need to be called.

## 7. Sound System

The contract has been reduced to @\$7,500 - this included lighting and audio, included spotlight operator for concert. There will be an extra charge for recording the gymanfa.

PUGET SOUND WELSH ASSOCIATION  
NATIONAL EXECUTIVE COMMITTEE MEETING MINUTES  
AUGUST 20, 1994, 2:00pm at Hyatt

PRESENT: Tim Dyck, Marc & Heidi Ensley, Steve Ensley, Liz Heath, Phil Humphries, Bob Matthews, Wyn Morgan, Mike Challenger, Brian Parry, Alan & Gretta Upshall

Alan met again with the platform people - everything okay.

Steve reported that 852 registrations have been processed so far. Ticket sales for the grand concert are selling well - 1023 has been sold. Bob met with Stacy at the Meydenbauer Center re seating numbers - they will be comfortable with 1300 in the present configuration. If we switched the stage to the East or West wall that would allow the Meydenbauer to put in more seating approximately 100 - 200 more. Steve, Mike and Alan met and agreed that we should alter the configuration - there should not be a visibility issue. Perhaps Marc might need to rethink decorations. Brian needs to speak with Steve, the sound guy to make sure this change would be acceptable to them. Speakers would need to be refocused - there may be some additional man power costs. The committee agreed not to hold concert tickets in case there are late registrants - it was agreed to sell them now.

Marc has mounted the love spoon trophies - everyone loved them.

Alan reported that we are in compuserv.

Gwynne Dodge needs to get a map of inside and outside the Market Place to Catherine Shrock.

Next meeting August 27 at Hyatt.
