Phil:

You are correct--we will be giving both US and Canadian amounts for each item. This was done at the Ottawa, Ontario, National in 2000 and worked out well.

I'll take care of it, Ellis. I've just finished writing an article for the next issue of Y Drych and Ninnau and will now start on the rules and entry forms (for the papers and also for the Web site).

I just noticed in your draft of the registration form that it says payment should be to WNGGA 2002.
